

A CHRISTMAS TRADITION

- ① Read the text and **highlight** everything you understand:

The history of ugly Christmas sweaters can be traced back to 1980's American sitcoms, in which characters often wear tacky* Christmas sweaters with lots of bright and eye-catching decorations. Today in the USA, buying or designing ugly Christmas sweaters is a

popular way to get into the holiday spirit.

The decorations often include jingle bells¹, wreaths² (a band of flowers or leaves twisted together in the shape of a circle), bows³ (a decorative interlacing of ribbons), candy canes⁴, Christmas trees with baubles⁵ and tinsel⁶ (a shiny garland), elves⁷, snowmen⁸, gingerbread men⁹ (a delicious cookie), stockings¹⁰ (big socks), mistletoe¹¹ (a plant with small white berries), reindeer¹², sleighs¹³, snowflakes¹⁴ or a string of multi-colored Christmas lights¹⁵.

*tacky = kitsch (de mauvais goût)

- ② Match the words from the text with the pictures:
