The pistachio Crocs are stylish sandals made from premium Croslite material. They feature a soft footbed to relieve pressure on the foot. They are perfect for everyday wear, and are available in both men's and women's sizes. Plus, they come in a variety of colors, including white, navy, and candy pink.

Crocs are the world leader in casual footwear, with a portfolio of products for all seasons. While remaining true to their molded footwear heritage, Crocs shoes are made with a proprietary technology called Croslite, which gives them their comfortable, lightweight, and

non-marking qualities. Since 2002, Crocs has sold over 366 million pairs in over 90 countries.

## **maroon Crocs**

Crocs shoes are available in various colors, and choosing the right one is important for achieving a desired look. Red and yellow are good options for those who like to stand out from the crowd. The colors that go well with the personality of a person can be chosen based on their likes and dislikes.

Lilac is a color that will be calming for a man. Unlike red, lilac will not draw attention to itself. It's not bright enough to catch attention, but it's subtle enough not to be too subtle. If you are a basic guy, pick baby pink or lilac.

Red is a sexy and lustful color. While red might appeal to a man, it's a bad idea for a woman. It suggests that a girl is trying to be cool but is really just trying too hard to be fun. Red Crocs will only get you noticed at the beach, the supermarket, or uni city. They also signal that a man cares too much about his nonexistent street cred.

Crocs began as waterproof boat shoes. However, the popularity of these shoes soon spread and now they're fashion-conscious. Some of the

*sexiest women have embraced this trend. In fact, Crocs are the most popular footwear choice among nurses.*
