ABOUT US

United Material Management is a local, privately owned business whose goal is to develop more efficient, effective waste & material management solutions for our customers. We offer a comprehensive range of services to residential, commercial and construction customers. Our recycling facilities are making reusable products and reducing the carbon footprint. UMM has recovered approximately 34,200,000 lbs of wood to make particle board or fuel. Additionally, we recycle 15,360,000 lbs of metal, and roughly 26,880,000 lbs of aggregates for a variety of construction uses.
