

# Add it Up

**P**  
Preschool

Two blue whales are shown, one on the left and one on the right. Each whale has a small blue fin on its back and a white tusk on its lower jaw. A pink plus sign is positioned between the two whales. To the right of the plus sign is a pink equals sign, followed by a large blue number 2.

$$1 + 1 = 2$$

Three pink stars are shown. The first star is on the left and is larger than the other two. It has a smiling face with two dots for eyes and a curved line for a mouth. To its right is a pink plus sign, followed by two smaller pink stars, also with smiling faces. To the right of the second star is a pink equals sign, followed by a large blue number 3.

$$1 + 2 = 3$$

Four orange shells are shown. The first shell is on the left and is significantly larger than the other three. It has a white spiral pattern on its side. To its right is a pink plus sign, followed by three smaller orange shells, each with a white spiral pattern. To the right of the third shell is a pink equals sign, followed by a large blue number 4.

$$1 + 3 = 4$$
