Isn't awful no to be able to _____
Without being _____ or snarled at right in your face?

Isn't it awful not to be able to _____ and get an interesting book
Without being put out and given a _____?

Isn't it awful not to be able to _____ nights
For fear you may get bombed because you _____ ?

Isn't it awful not to be able to _____ where you please?
Just because of our _____, _____, creed we cannot feel at ease.
