

Jason Lauchner
Age: 6
Disability:
Cerebral Palsy

The only thing I can't do, is give up.

Jason is like any other 6 year old boy. He dreams of playing baseball. Because Jason was born with a physical disability, he doesn't have the opportunity to experience baseball like other children.

Miracle Fields of DFW is making Jason's and other special needs children's dreams come true by developing a custom-designed field with a cushioned synthetic turf, wheelchair accessible dugouts, and a completely flat surface to eliminate any barriers for wheelchair bound or visually impaired players.

One of these miracle fields is being developed in Arlington, with opening day scheduled for Spring 2006. Help us make this field a reality by becoming a sponsor or making an individual tax-deductible contribution.

Visit us online or give us a call to make a donation and learn more about sponsorship opportunities.
