

UNDERSTANDING YOUR RIGHTS AFTER A WORKPLACE INJURY

WORKERS' COMPENSATION

You have the right to file a claim for workers' compensation if you are injured on the job.

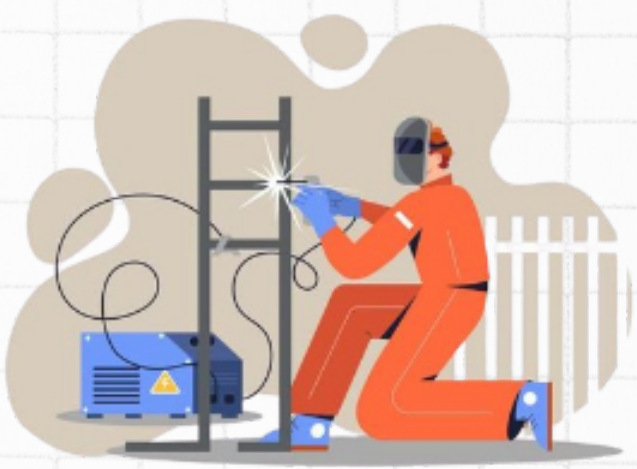

MEDICAL TREATMENT

You have the right to receive medical treatment for your injury. Your employer must provide necessary medical care to help you recover from your injury.

RETURN TO WORK

You have the right to return to work after your injury. Your employer must make reasonable accommodations to help you return to work, if possible.

If you have been injured at work, it's essential to understand your rights after a workplace injury. This guide can help you navigate the legal process and ensure that you receive the compensation you deserve.
