

MID-UNIT PROJECT

Group work Present a monument that honours the victims of the Great Famine

- 1) Go to discoverireland.ie
- 2) In the search bar, type: « famine ». You will get a list of memorials of the Great famine. Choose one, read information about it and prepare an oral presentation.

 Your presentation must answer the following questions:

What type of memorial is it ? (Statue, museum...)

Where is it located ? (Which city, region, Can you show where on the map) ?

When was it built / created ?

What does it represent / What does it look like ? (Describe it) ?

Why did you pick up this one ?

Take notes and look for the vocabulary you need to answer the questions.

 Do not copy sentences from the internet

Be ready to present your memorial to the class. Reading is not allowed (you can only write down key words or figures (*des chiffres*)). Everybody must speak at least once.
