

Amazonie, poumon de la
planète ... enfin presque

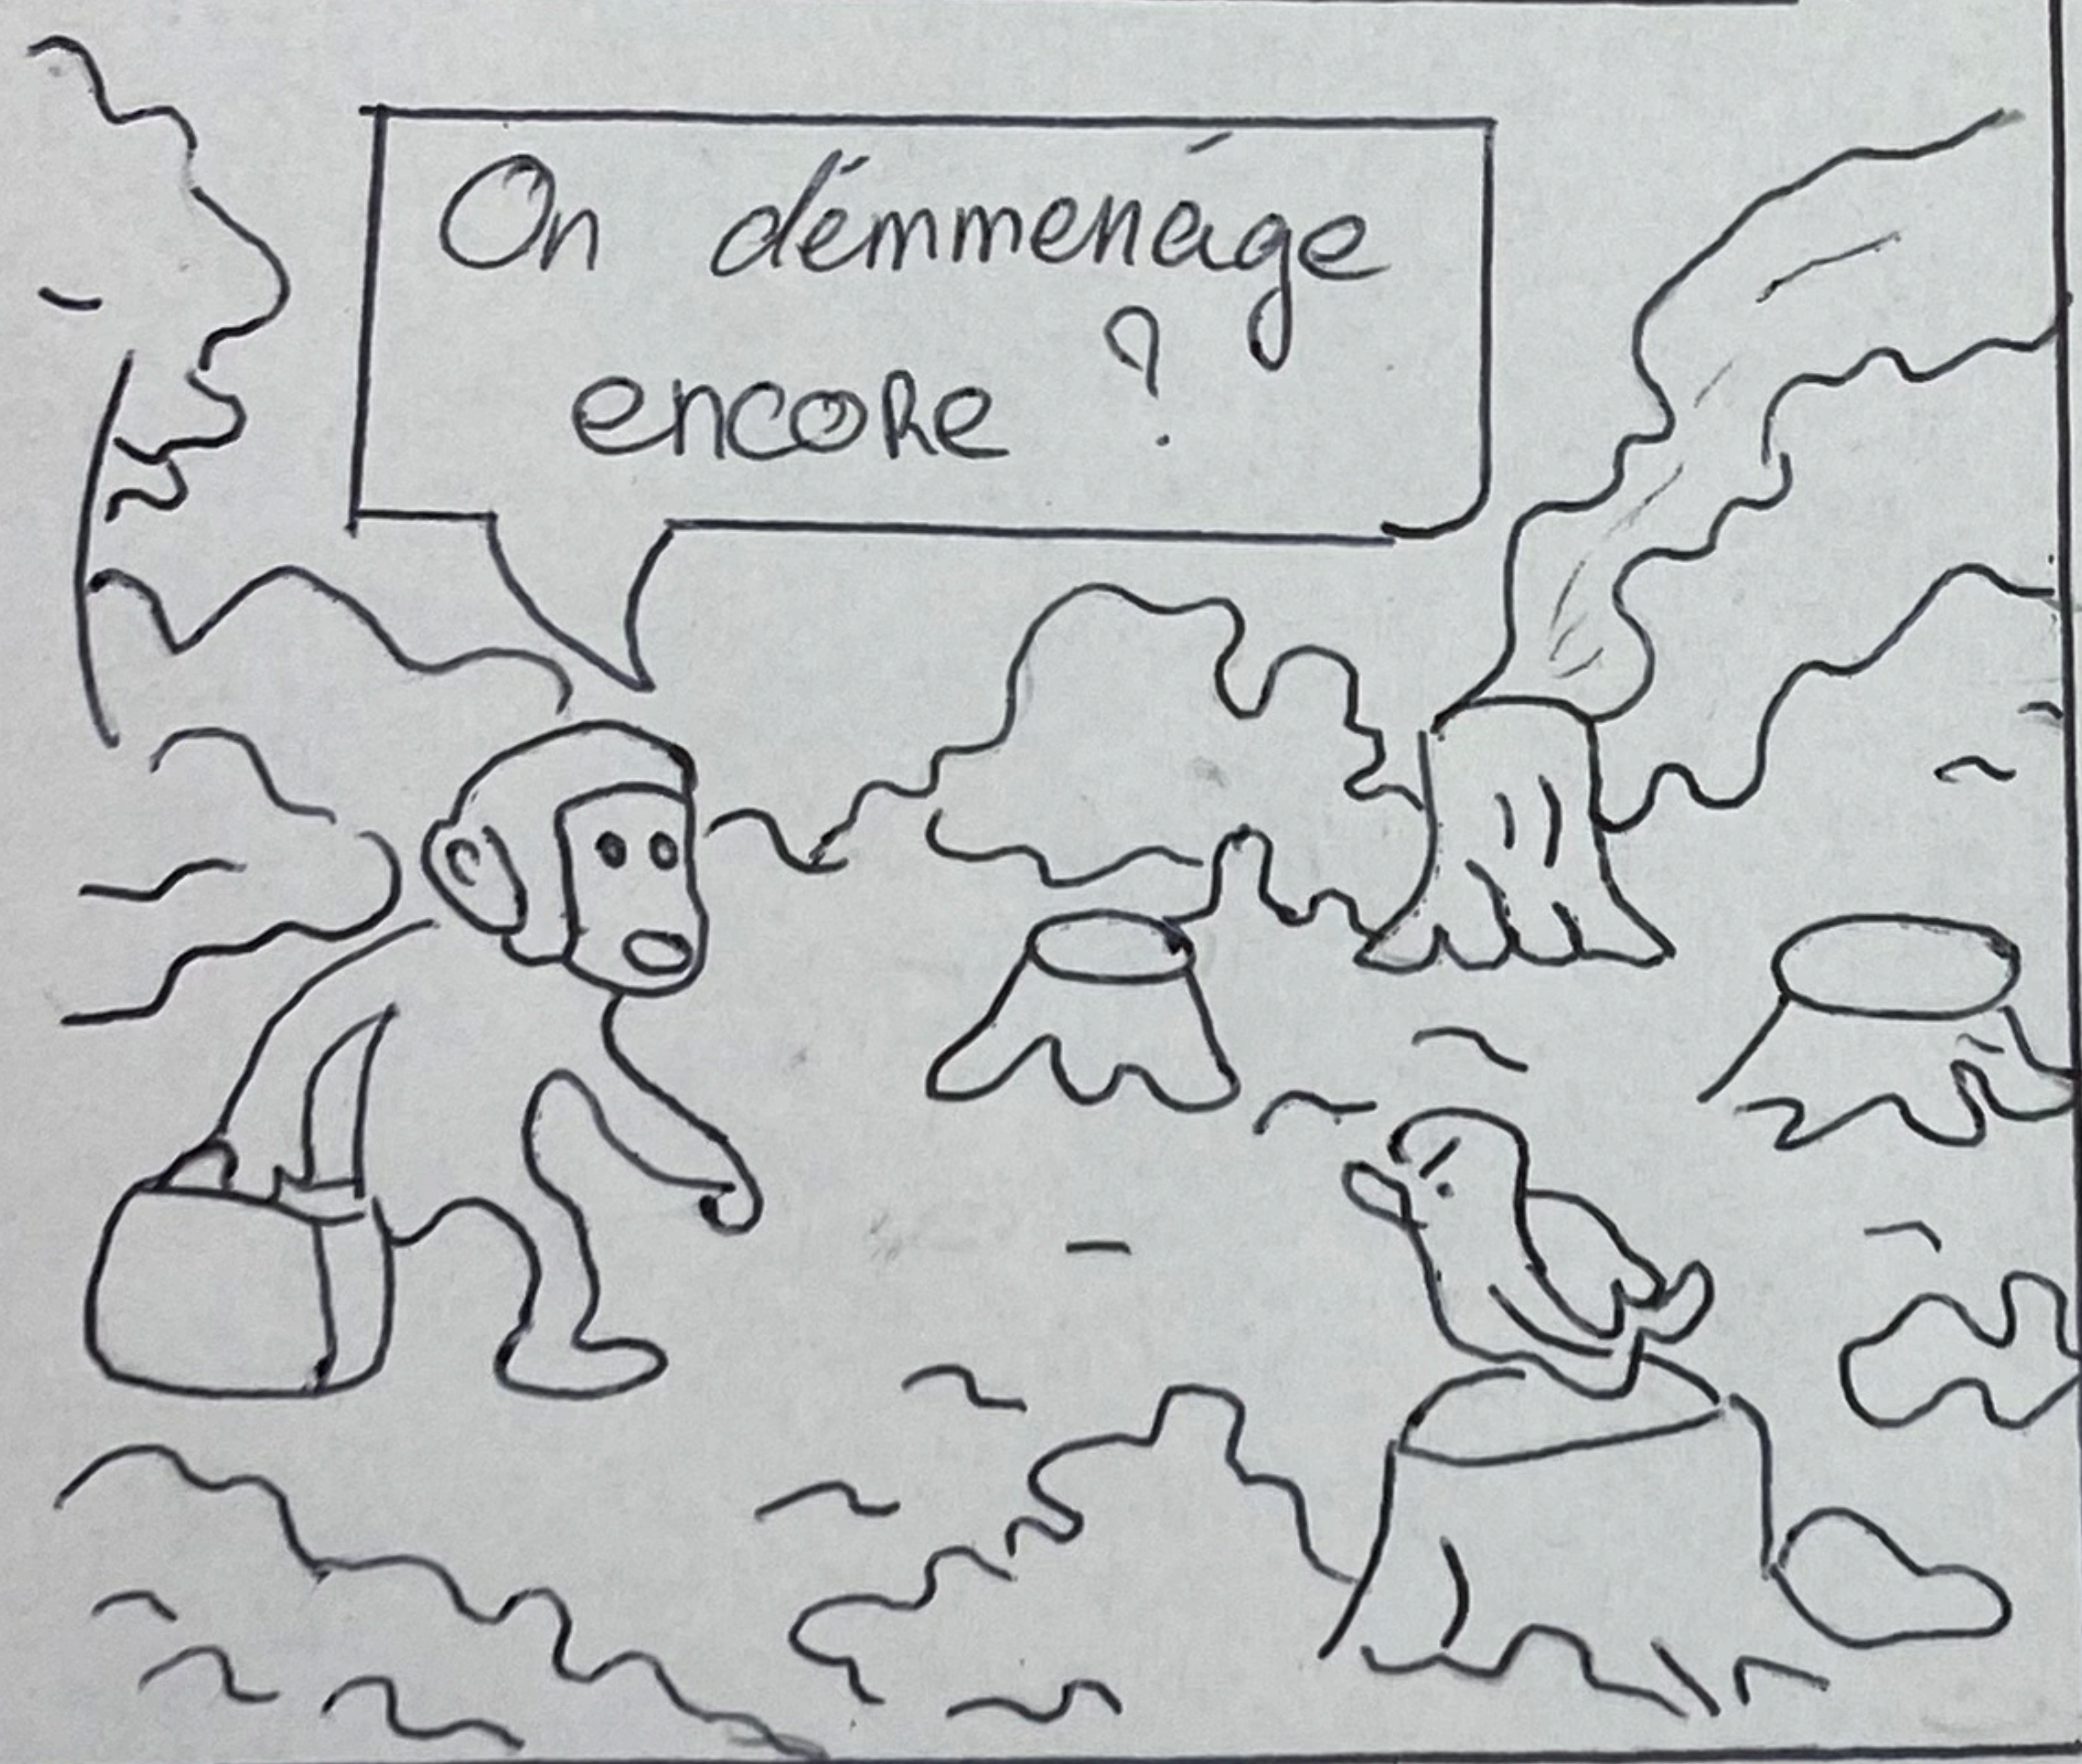

Ne vous inquiétez
pas c'est pour
le progrès

Le progrès
de Qui?!

Quand la forêt disparaît

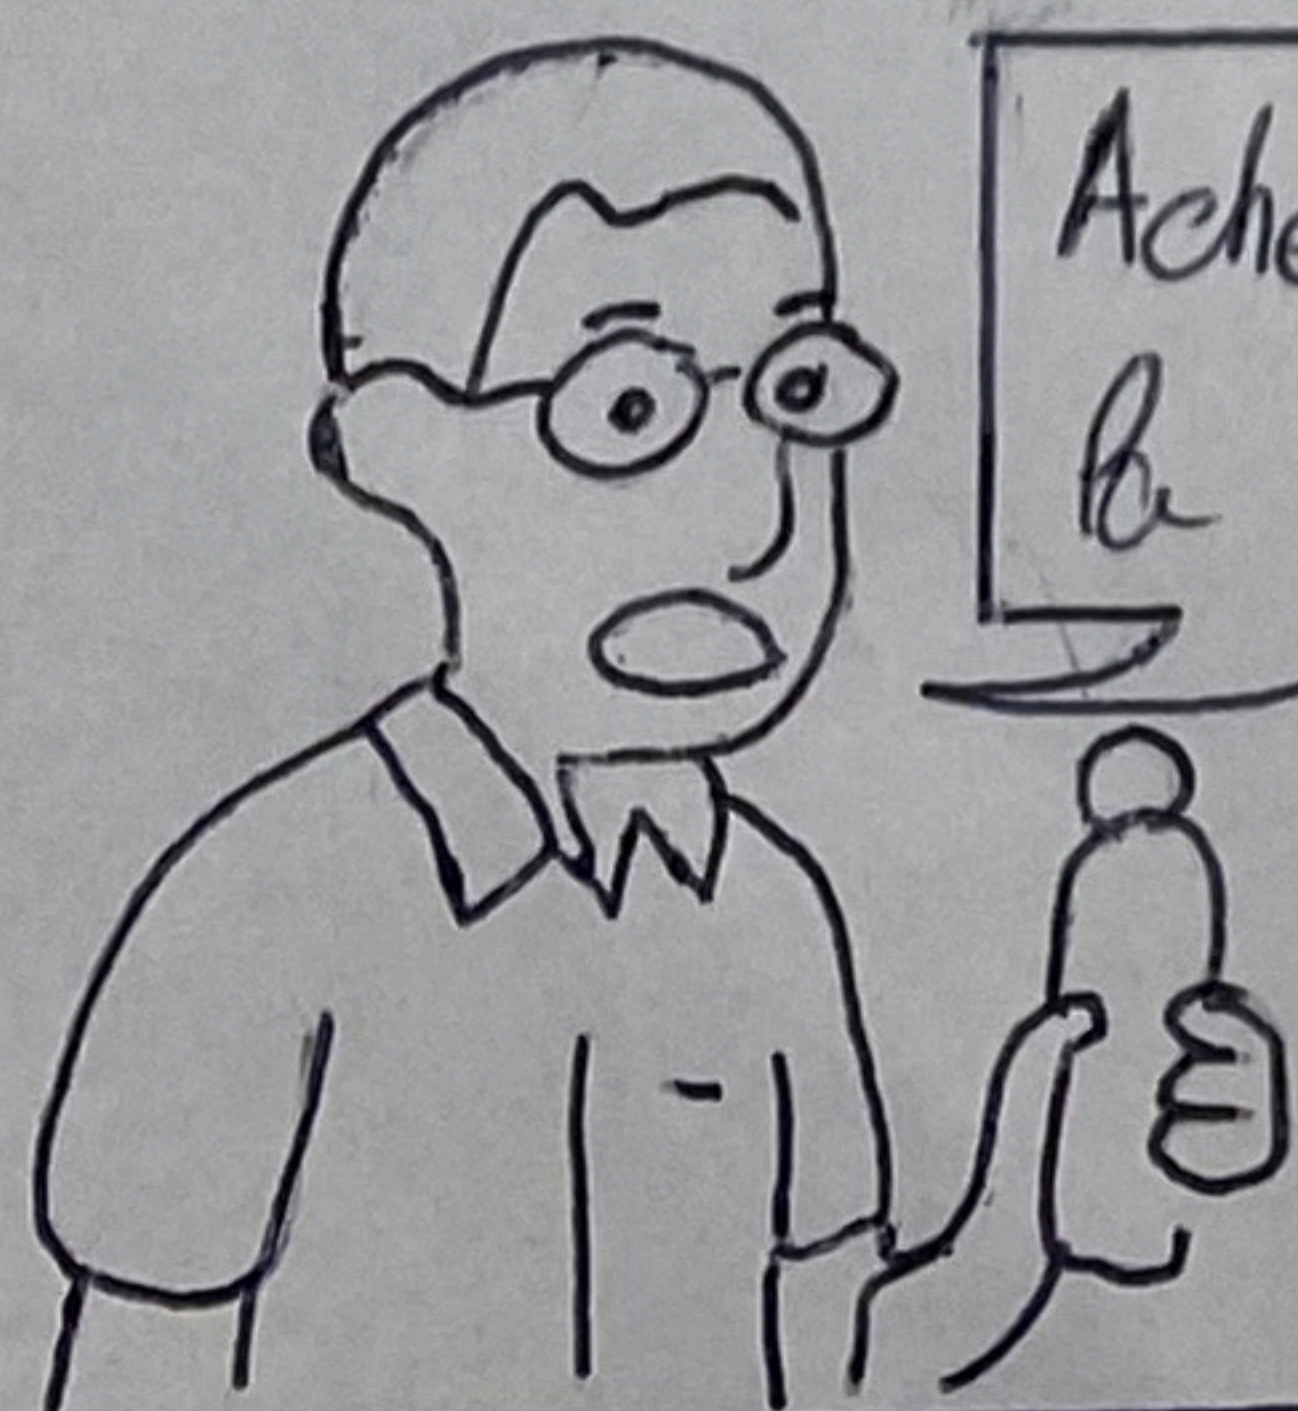

L'équilibre aussi

Maman, c'était
comment un arbre
??

Comme une usine
à air gratuit ...
mais on l'a fermée

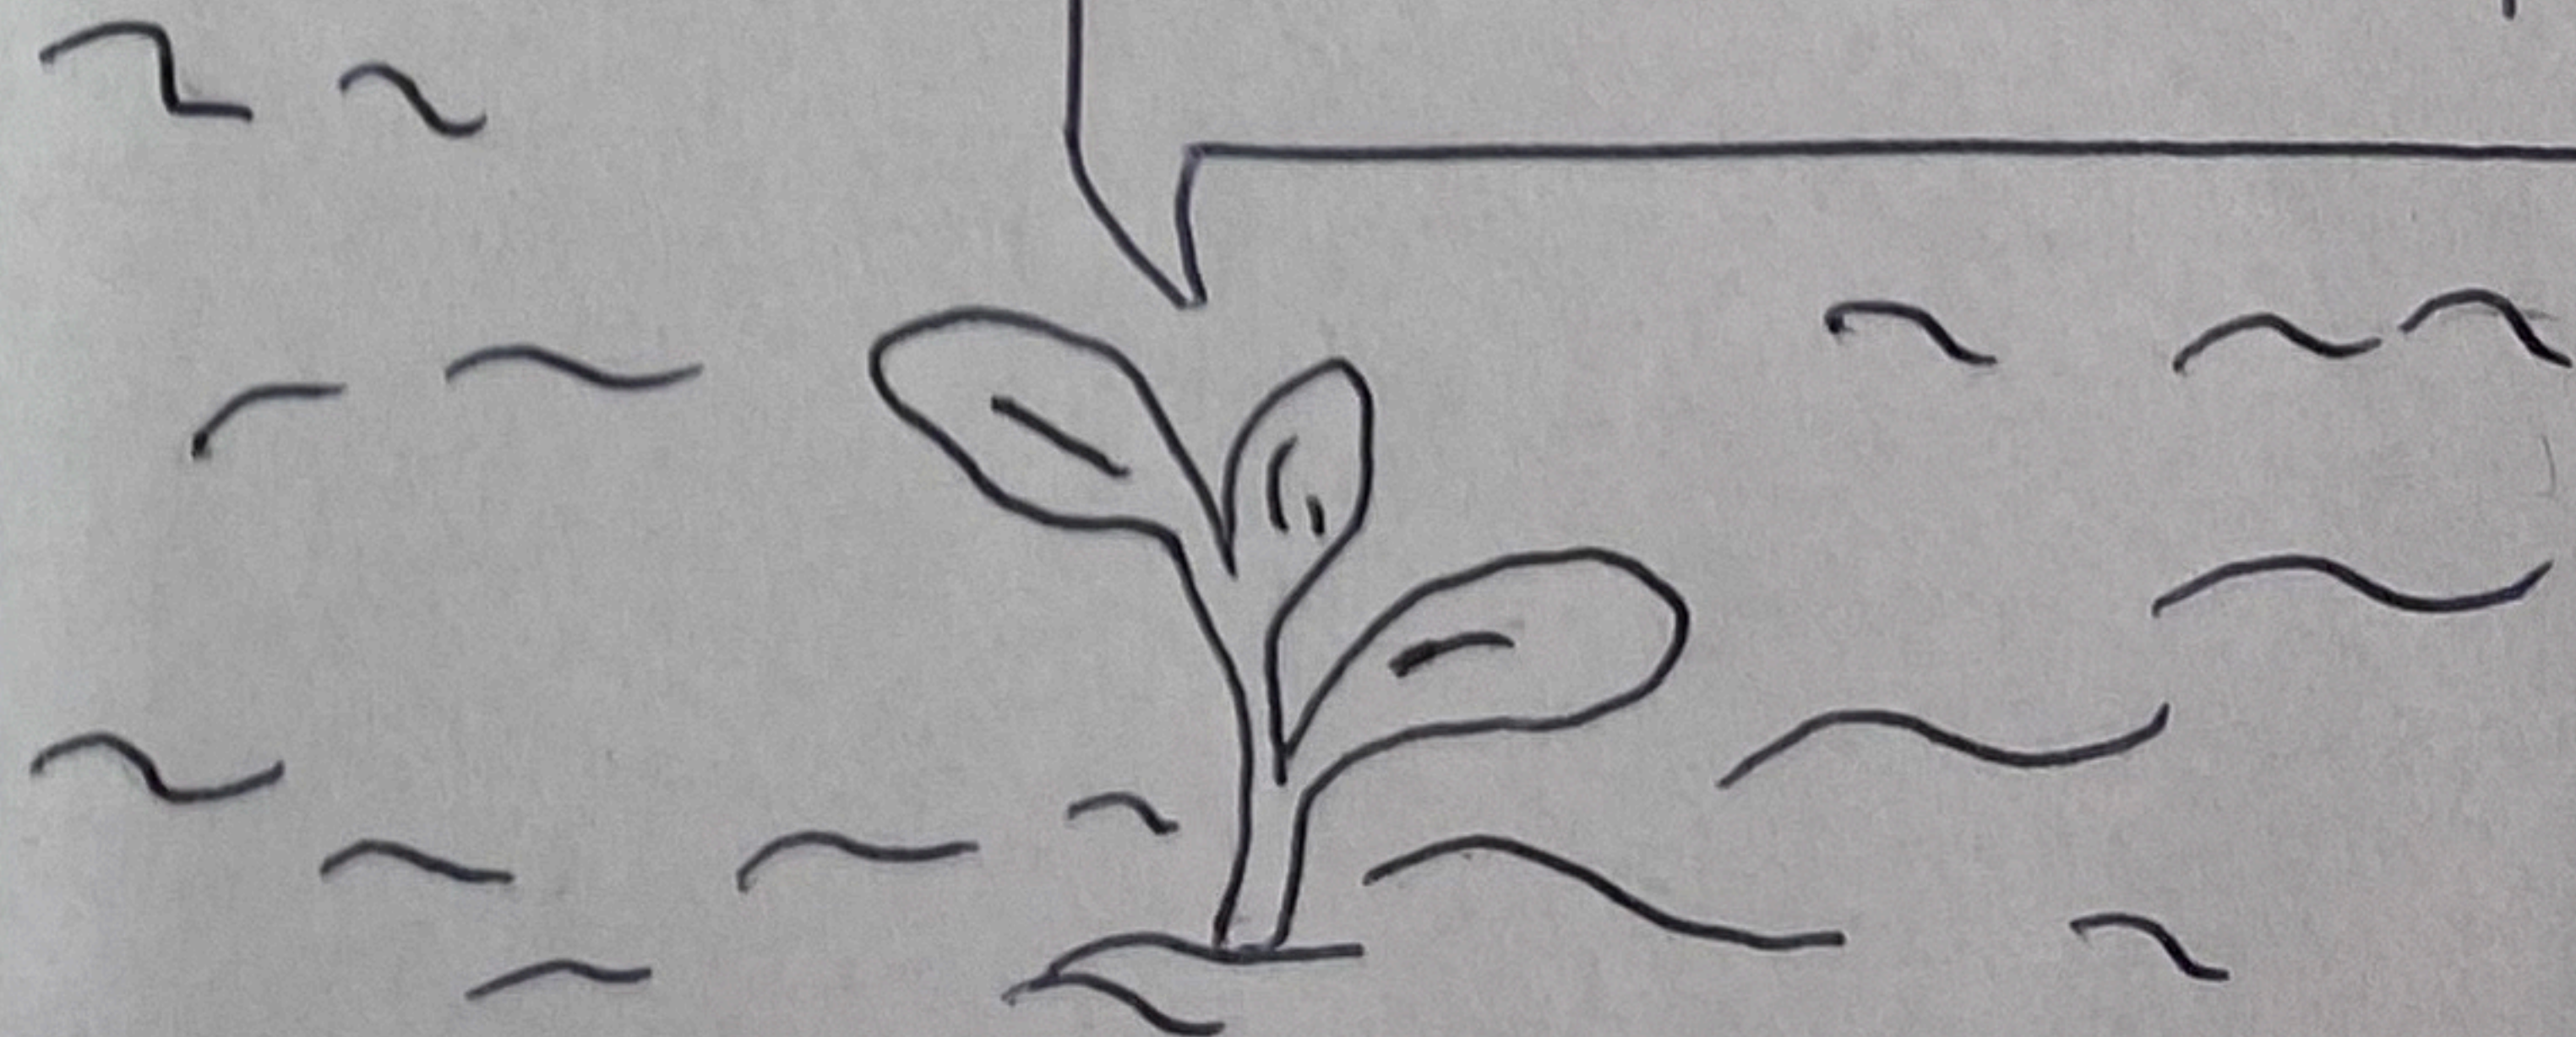

OXYGENE NATUREL
Promo Spécial

AH ... trop tard

Il est encore temps

Protéger la forêt, c'est protéger la vie
