

Create four Top Trumps Cards

1) Imagine the name of your dragon

2) Write a description of your dragon

- Fais une phrase pour décrire ton dragon.
- Fais une phrase au présent simple pour exprimer ses habitudes. Attention de ne pas oublier le s au verbe si ton dragon est le sujet
- Fais une phrase avec un superlatif. Attention à bien regarder si ton adjectif est court ou long pour ne pas te tromper.

3) Give your dragon a score in his five skills

- Fear Factor (1-100)
- Intelligence (1-100)
- Size (1-100)
- Speed (1-100)
- Attack (1-100)

/!\ the total of the five scores must be exactly 200.

First Name:

Surname:

Class:

Name:

Gender: ☐ male ☐ female

Description:

Skills: Fear Factor = Speed =
Intelligence = Attack =
Size = Total = 200

Name:

Gender: ☐ male ☐ female

Description:

Skills: Fear Factor = Speed =
Intelligence = Attack =
Size = Total = 200

Size = Total = 200

How to play Top Trumps Cards

- 1) The two players pick a card.
 - 2) Player one looks at his card and selects a characteristic :
Ex: I choose fear factor.
 - 3) The two players show their card and compare the score of the dragons.
 - 4) The player with the best score must say : « My dragon is the...
 - scariest/most fearsome (fear factor)
 - smartest/most intelligent (intelligence)
 - biggest/largest (size)
 - fastest/quickest (speed)
 - strongest/most powerful (attack)
- /!\ If you don't say it, you don't win the card.
- 5) Change player one, and start again.
 - 6) The game ends when a player wins all the cards.
