Itinerary to the dormitory

Percy Weasley : Gryffindor, first years !! This way please. I'm your prefect. Tonight, I'll guide you through the school. Ready? To go to your dormitory, from the Great Hall, you need to take the Grand Staircase. Once you're on the 3rd floor, turn left and push a magic panel. There's a secret door behind it. Do you still follow me? Continue walking up the stairs. When you're on the 5th floor, lift the tapestry on your right, and enter the room behind it. Come on! You're almost there. Go up till the 7th floor. There's a corridor in front of you. Go straight to the very end of the corridor. There's a portrait of a very fat woman. Give her the password: Caput Draconis. Behind that door is the Gryffindor common room; it's a cosy, round room full of comfortable armchairs. The spiral staircase on your left leads to the girls' dormitory, the one on your right to the boys'. Good night and see you tomorrow. Breakfast is served at half past seven in the Great Hall.

What a prefect does at Hogwarts

A report by Rita Skeeter

Percy

Prefects are allowed to take House points away from other students in their own house as a penalty for rule-breaking, and they can give detentions as a form of punishment. They patrol the corridors of the Hogwarts Express on the way to school and they also patrol hallways to ensure that other students are not breaking curfew..

Prefects have other responsibilities as student leaders. They show the first years the way to their dormitories on their first day of school at Hogwarts School of Witchcraft and Wizardry, and supervise the decorating of the castle for Christmas (and other events as well). They also watch the younger students when bad weather keeps them indoors over break times.

Prefects are given a badge; the colors are the colors of the prefect's House. They have to wear the badge on their school uniform. The badge would have the letter "P" on it. If the prefect is on his or her house Quidditch team, he or she would not be required to wear the prefect badge on their Quidditch robes.

Hogwarts School Song

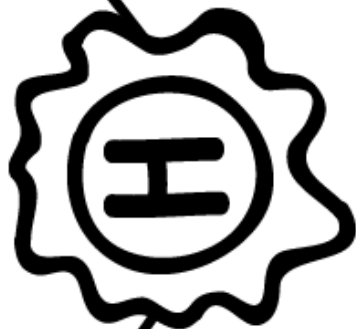

*Hogwarts, Hogwarts,
Hoggy Warty Hogwarts,
Teach us something please,
Whether we be old and bald,
Or young with scabby knees,
Our heads could do with filling,
With some interesting stuff,
For now they're bare and full of air,
Dead flies and bits of fluff,
So teach us things worth knowing,
Bring back what we've forgot,
Just do your best, we'll do the rest,
And learn until our brains all rot.*

What a prefect does at Hogwarts

A report by Rita Skeeter

Percy

Prefects are allowed to take House points away from other students in their own house as a penalty for rule-breaking, and they can give detentions as a form of punishment. They patrol the corridors of the Hogwarts Express on the way to school and they also patrol hallways to ensure that other students are not breaking curfew..

Weasley

(b. 22

August, 1976)
is a pure-blood wizard, the third child of Arthur and Molly Weasley, the younger brother of Bill and Charlie and the older brother of Ron, Ginny, George and Fred Weasley. He attended Hogwarts arts

Prefects have other responsibilities as student leaders. They show the first years the way to their dormitories on their first day of school at Hogwarts School of Witchcraft and Wizardry, and supervise the decorating of the castle for Christmas (and other events as well). They also watch the younger students when bad weather keeps them indoors over break times.

Prefects are given a badge; the colors are the colors of the prefect's House. They have to wear the badge on their school uniform. The badge would have the letter "P" on it. If the prefect is on his or her house Quidditch team, he or she would not be required to wear the prefect badge on their Quidditch robes.

Hogwarts School Song

*Hogwarts, Hogwarts,
Hoggy Warty Hogwarts,
Teach us something please,
Whether we be old and bald,
Or young with scabby knees,
Our heads could do with filling,
With some interesting stuff,
For now they're bare and full of air,
Dead flies and bits of fluff,
So teach us things worth knowing,
Bring back what we've forgot,
Just do your best, we'll do the rest,
And learn until our brains all rot.*

Albus Dumbledore
