

COMIN' HOME BABY

Ben Tucker / Bob Dorough

(Do-do-do)

I'm comin' home, baby, now (do-do-do-do-do-do-do)

I'm comin' home now, right away (do-do-do)

I'm comin' home, baby, now (do-do-do-do-do-do-do)

I'm sorry now I ever went away (do-do-do-do-do, do-do-do)

Every night and day I go and stay

I'm comin' home, baby (come on home)
Comin' home, baby, now (you know I'm waitin' here for you)

I'm comin' home now, real soon (you've been gone)

Comin' home, baby, now (you don't know what I'm goin' through)

I'm comin' home, I know I'm overdue (since you went away now, real soon)

Expect me any day, now, real soon

I'm comin' home (come on home)
Comin' home, baby, now (you know I'm prayin' every night)

That everythin' is gonna be fine (please, come home)

Comin' home, baby, now (I want to feel you hold me tight)

Expect to see me now, anytime (when I'm in your arms I'm all right)

When you're in my arms, I'll be fine

I'm comin' home (come on home)

I'm comin' home, baby, now (you know I'm countin' every day)

I'm comin' home now, yeah, yeah, yeah (use the phone)

I'm comin' home, baby, now (and baby, let me hear you say)

I'm comin' home, you're hearin' what I say (that you're comin' home I will lay awake))

And I never will go away

I'm comin' home

Break

(Comin' home)

I'm comin' home, baby, now (you know I'm waitin' at the door)

They can't hold me back now, no more (I'm alone)

I'm pressin' on, baby, now (and pacin' up and down the floor)

Oh, hear me holler and hear me roar (say you'll be with me ever more)

Gonna be with you ever more

I'm comin' home (I'm alone)

I'm comin' home, baby, now (oh, baby, say you're comin' home)

That's what I say, I say I'm comin' home (somethin's wrong)

The road is long, baby, now (you ought to either write or phone)

I'm comin' home and never more to roam (baby, tell me you're comin' home)
Baby, I'm for sure comin' home

I'm comin' home (come on home)

I'm comin' home, baby, now (come on home)

I'm comin' home, baby, now (come on home)

I'm comin' home, baby, now (come on home)

Comin' home, baby, now
