Countries using the euro

The euro (€) is the official currency of 19 out of 27 EU countries. These countries are collectively known as **the Eurozone**.

Members of the Schengen border-free area

The Schengen Area is one of the greatest achievements of the EU. It is an area without internal borders, an area within which citizens, many non-EU nationals, business people and tourists can freely circulate without being subjected to border checks. Since 1985, it has gradually grown and encompasses today almost all EU countries and a few associated non-EU countries.

While having abolished their internal borders, Schengen States have also tightened controls at their common external border on the basis of Schengen rules to ensure the security of those living or travelling in the Schengen Area.

1- How many countries use the Euro currency? 19

This area is called the "**Eurozone**".

2- What is the Schengen area?

☐ An area in the EU where people can circulate freely, without passports & borders.

3- Which famous composer composed the national anthem of the European Union, which is part of the symphony called "Ode to Joy"?

☐ Ludwig Van Beethoven
